for your team to choose from!

MAKE COMMUNICATION
MORE ACCESSIBLE

FOSTER AN INCLUSIVE
WORKPLACE CULTURE

ADDRESS RISKS
OF HEARING LOSS

Each 1-hour workshop is delivered in person or virtually by NFDHH and partners.

1. Hearing Awareness journey

Understand the impact of hearing loss and some of the common misconceptions.

Discover the anatomy of hearing, the environmental risks and how to make hearing health a priority in your workplace.

Learn practical steps you can implement today to accommodate Deaf and hard of hearing employees and customers.

2. Deaf Awareness and NZSL

Deaf culture is the set of social beliefs, behaviours, history and values that are shared by communities that are influenced by deafness and which use sign language as their primary means of communication.

Learn about Deaf culture and some essential signs in New Zealand Sign Language.

3. Accessibility for Deaf and hard of hearing employees

Become more inclusive of Deaf and hard of hearing employees by learning about hearing aware communication in typical workplace scenarios.

Explore the basics of New Zealand Sign Language, such as how to fingerspell, introduce yourself in sign and some useful greetings/everyday phrases.

4. Supporting Deaf and hard of hearing customers

Discover some of the common barriers faced by your Deaf and hard of hearing customers.

Explore practical tools that will help

customers with hearing loss to navigate your business.

Learn some basic New Zealand Sign Language, such as how to fingerspell, introduce yourself in sign and some useful greetings/everyday phrases.

5. Customised NZSL workshop

Learn up to 15 new signs or phrases that are specifically customised for your industry.

Let us know the vocabulary you'd like to learn in advance, and we will transform this into a bespoke NZSL lesson for your team.

6. Tailored Awareness workshops

Are you interested in a customised Awareness Workshop, exclusively designed for your organisation?

When you book this workshop, we collaborate with your organisation to craft a one-hour session that focuses on the unique requirements of your business. Empower employees and customers who are Deaf and hard of hearing by prioritising accessibility in your organisation.

What organisations are saying about our Hearing Awareness Workshops.

“My personal experience was that while we ran the workshop and online hearing test, people understood my needs more. I was accommodated more appropriately by my immediate team. Show learning creates empathy!”

WESTPAC EMPLOYEE WITH HEARING LOSS

“A fantastic opportunity with engaging and knowledgeable tutors and facilitators. Being able to personalise some of our learning to our specific industry was invaluable, and we’re looking forward to practising our sign around the workplace. Thank you!”
