ADDRESS RISKS
OF HEARING LOSS

Delivered virtually by the passionate team at NFDHH, each Workshop is a quick 30-minute session filled with valuable insights and practical tips.

1. Customised NZSL

What words or phrases do you use every day in your industry?

Make your organisation more accessible by learning how to sign these terms in NZSL.

In this workshop, you can choose 10 customised signs to learn as a team.

2. Hearing Awareness Journey

What sounds would you miss?

Our ears are switched on 24/7. If we go over our weekly sound allowance, we risk permanent damage.

Discover the impact of hearing loss and how to make hearing health a priority in your workplace.

3. Deaf Awareness and NZSL

Is your team aware of New Zealand's rich and unique Deaf Culture?

This workshop is your team's opportunity to learn about Deaf Culture and some introductory signs in New Zealand Sign Language.

4. Supporting Deaf and hard of hearing customers

Ensure your team has the confidence to greet and support your Deaf and hard of hearing customers.

Discover how to make your organisation's services more accessible and hearing aware.

5. Introduction to accessibility for Deaf and hard of hearing employees

We all have a role to play in ensuring equitable access.

This is your chance to put yourself in the shoes of the Deaf and hard of hearing staff members.

Learn about the common barriers and how to remove them.

6. Bespoke

Unlock tailored learning experiences with our bespoke workshops designed for your organisation.

Let us know what you would like to learn and we can create a workshop specifically for your team.

Our bespoke workshops can cover a wide range of information, including covering our existing workshops.
